

Black Creek Drive

Dylan Sinclair

At the roundabout, I drive myself insane
Whip out West everyday
Just to bring you back, ease the pain
Even if just a few hours is all that we get
I feel that time that's spent with you is a blessing

And I could be reckless
Is that my vibe right now?
Don't want to wreck this (Don't want to wreck this, oh)
Just want us safe and sound
Is that too much for you girl?
'Cause my favourite place in the world right now is, right now
is

Black Creek Drive (Drive, drive, drive, drive, drive)
Late night vibes and-
Take you home and-
Kiss goodbye and-
In the morning, mm
See you again, oh
Oh-oh, oh-oh, oh-mm (Can I see you again?)

I don't like to waste my time
Just wanna get to know
You so I can make you mine
Should I move more slow?
Oh, can I see you again in the morning?

I could be reckless
Is that my vibe right now? (Is that my vibe right now?)
Don't want to wreck this (Oh)
Just want us safe and sound
Is that too much for you girl?
'Cause my favourite place in the world right now is, right now
is

Black Creek Drive (Drive, drive, drive, drive, drive)
Late night vibes and-
Take you home and-
Kiss goodbye and-
In the morning, mm
See you again, oh (Can I see you again?)
Oh-oh, oh-oh, oh-mm (Can I see you a- Black Creek)
