

Fly Girl

Dylan Sinclair

Mmm

You see the pretty lady
You wish yours was this wavy

Keeping this girl round me
I like the way that she talk
Sending me playlists straight to my phone
She putting me on
Fuck all that try hard shit
This girl is fly in her sleep
Keeping my cool most times
But shorty be having me geeked

Oh my
She gets the whole vibe
And her clothes nice
In that ai mei li

I need the girl
Part of my world
Cause she fly
Fly
Like a boeing
Fly
With no wings
Fly
She going
Fly
(Sky high, fly)
Fly girl, fly
Like an eagle
Fly
She's a pretty girl
(Fly, sky high)

She's got everything that she needs
Knows her power so she tease
And her life already pleasing
Don't need me
She don't give it up too easily
And I like to see it
See it

Keeping this girl round me she's squeaky clean
Head to her feet
Fit is too fresh febreeze, ay
Big stepping for me
She wanna get nude
I told her the fit is too rude

Oh my
She's blessing my sight
Looking so right
She's my shoulder treat

I need the girl part of my world
Cause she fly

(Fly)
Fly
Like a boeing
Fly
With no wings
Fly
She going
Fly
(Sky high, fly)
Fly girl, fly
Like an eagle
Fly
She's a pretty girl
(Fly, sky high)

She's got everything that she needs
Knows her power so she tease
And her life already pleasing
Don't need me
She don't give it up too easily
And I like to see it

She's fly, fly
She's fly, fly

Fly, fly
Fly, fly
Fly, fly
Fly, fly
