

Just Anybody

Dylan Sinclair

I don't need you anymore
Why are you around me for?
Blow a kiss to me then dip
Too much stress, I need to say it

I don't need you anymore
Why are you around me for?
Blow a kiss to me then dip
Too much stress, I need to say it

I don't wanna be
Just anybody, just anybody
I want you to see, me as your everything
Your everything, yes

Have faith in me like
Religion's most high
Serve me like a Prince
There's no need to try

I don't need you anymore
Why are you around me for?
Blow a kiss to me then dip
Too much stress, I need to say it

I don't need you anymore
Why are you around me for?
Blow a kiss to me then dip
Too much stress, I need to say it

You have never been
Just anybody, just anybody
It would be a sin
For me to get down on my knees
Get down on my knees, yes

And pray for us like (And pray for us)
Nature's not on our side
If that is the case
I'll walk down the slide

I don't need you anymore
Why are you around me for?
Blow a kiss to me then dip
Too much stress, I need to say it

(Oh why, oh why, oh why)
I don't need you anymore
Why are you around me for?
Blow a kiss to me then dip
Too much stress, I need to say it

I don't need you
Need you
You don't want me
We can't force nothing no more
No more

Just anybody, just anybody
Just anybody, just anybody, oh yeah
Just anybody, just anybody, you
Just anybody, just anybody
