

# NARCISSIST?

Dylan Sinclair

I hope you don't think I'm crazy because I'm telling you this  
But you told me you make music  
So a few days ago I looked for you on Spotify  
And I started to listen to some of your songs  
And I need to tell you that  
Your voice is beautiful  
And I really liked every song I heard

You can have it your way  
You can have it your way  
Tell me what did I say  
Tell me what did I say

You can have it your way  
You have had it with me  
Tell me what did I say  
Tell me what did I say

This narcissistic business has these \*\*tches going crazy  
And I'm feeling like HIM lately  
But she feels like I'm losing myself  
I could build a castle with wealth  
And who cares to lose a loser  
Even though I said I'd choose her  
Lose her to become a better man in these streets I guess  
I'd be better off without her lbs  
She's waitin' on me  
But it's weighin' on me

You can have it your way  
You can have it your way  
Tell me what did I say  
Tell me what did I say

You can have it your way  
You have had it with me  
Tell me what did I say  
Tell me what did I say

It's nothing that you said  
So let's put this to bed  
I make you rinse the bed  
I become a better man  
I make you wetter than  
Sea Mediterranean  
I break your heart at times cause I need a break  
Then I make love to you  
But what has love to do when we're this young  
If it means the fun is controlled  
And limited  
Want me committed to it  
But if we're anxious bout it lately  
Maybe timing's not amazing  
Though we fought we couldn't make it out

You can have it your way  
You can have it your way

Tell me what did I say  
Tell me what did I say

You can have it your way  
You have had it with me  
Tell me what did I say  
Tell me what did I say

If she's on your nerves  
And you're feeling nervous  
Do what you can  
To prove you're a man

But if you gotta hide  
Just to let love abide  
Then it can't be love  
And niggas need love too (mmm yea mmm)
