

SWEET LIFE

Dylan Sinclair

I'm in a brand new coupe
Although it's cloudy
I'm feelin' alright
This was a wild dream
And now it's my life
Flew to manila
When summer was out
Had venues filled up
My tour was sold out
But still I've got so much to prove

I'm doing this for me and my dawgs
I can't keep kickin' it (kick like Messi)
I sing my heart out for these crowds
I'm him up in this bitch (kiss me gently)

And I love loving
Cause a nigga buzzin'
Like I'm a honeybee
Don't get me bummy please

(Sweet, sweet sweet, sweet)
Sweet life of mine
(Sweet, sweet sweet, sweet)
Sweet life of mine

Sweeter than candy
I don't have a plan b
I just shoot my shot
I'm in for the plot
I can't be what I'm not
It's not unreasonable pondering this way
If we're just two people I'm honest today
So I've got to mention
I want your affection but

I'm doin' this for me and my dawgs
I can't keep kicking it (kick like Messi)
I sing my heart out for these crowds
I'm next up in this bitch (kiss me gently)

And I love loving
Cause a nigga buzzin'
Like I'm a honeybee
Don't get me bummy please

(Sweet, sweet, sweet, sweet)
Sweet life of mine
(Sweet, sweet, sweet, sweet)
Sweet life of mine
