

Too Soon?

Dylan Sinclair

See, if I say, "I love you"
Will you think it's too soon?
(Unless the king has entered
Sooner isn't better, yeah, yeah)

See, if I say, "I love you"
Will you think it's too soon?
(Unless the king has entered
Sooner isn't better, yeah)

See, if I say, "I love you"
Baby, don't change
No, I don't want nothing new
Please stay the same

The same as in the girl that you have always been with me
Tryna get this off my mind with ease
Please don't you change 'cause I just said that
No, I ain't got nothing left to take back, yeah

See, if I say, "I love you"
Will you think it's too soon?
(Unless the king has entered
Sooner isn't better, yeah, yeah)

See, if I say, "I love you" (If I)
Will you think it's too soon? (If I)
(Unless the king has entered
Sooner isn't better)

I know there's no rush in telling you that I'm falling
I won't think you don't care if you don't say it back like you know m
e
I don't need you to reciprocate
Asking, asking that you stay the same
Love my affection
No, I just can't help it
I just wanna ask if

See, if I say, "I love you"
Will you think it's too soon?
(Unless the king has entered
Sooner isn't better, yeah, yeah)

See, if I say, "I love you"
Will you think it's too soon?
(Unless the king has entered
Sooner isn't better)
