

Your Side

Dylan Sinclair

When you see me look into your eyes
What do you see in mine
When I kiss your face
I know that for you, I'd run any race

Cause when I look at you
I know what I wanna do
For the rest of my life, yeah yeah yeah
And when you look at me
I know that I'd never leave
Your side, your side

Tell me when you're having a bad day
I'll give you a better night
And when we run out of things to say
I'll take you in my arms
And squeeze you tight

Cause when I look at you
I know what I wanna do
For the rest of my life, yeah yeah yeah
And when you look at me
I know that I'd never leave
Your side, your side

Don't gotta believe
And just feel me baby
And you'll know that I wanna hold you down, ooooh
Just you and me
Is the best time baby
Wanna do it all for you

And when I look at you
I know what I wanna do
For the rest of my life, yeah yeah yeah
And when you look at me
I know that I'd never leave
Your side, your side
Your side, your side

But truthfully
You meditate our God and his word, and his promises, and that gets you through things
And put it to the test
The Bible says put it to the test with your faith and He'll deliver
