

# Revolt

Dymytry

Uh Yeah  
STAND UP! it's time to  
STAND UP! Remember to SPEAK UP  
Tomorrow brings another blow but now it's time to  
STAND UP! Even when the sun turns dark  
Look at me, they call me the Revolter

Same old story  
That we keep forgetting  
We might have lost the battle but the war is never ending  
Deep inside our hearts, desire for rebellion  
So rush, rush, rush, rush  
Invoke the Hellion

REVOLT  
Time to get together  
And face our enemy  
YOU NEED TO STAND UP, REVOLT!  
Feels like swimming upstream  
To find your destiny  
No regrets, stand up and revolt  
All you see is madness

Smash it, all away  
You need to face it, REVOLT!  
Set the world on fire  
We are here and meant to stay  
Time for action pull the trigger

DON'T STOP! I tell you  
DON'T STOP! And I won't say it again  
'cause when the time will come I want you to REMEMBER!  
Their promises are empty shells  
I don't wanna see you going down to hell

Same old story  
That we keep forgetting  
We might have lost the battle but the war is never ending  
Deep inside our hearts, desire for rebellion  
So rush, rush, rush, rush  
Invoke the Hellion

REVOLT  
Time to get together  
And face our enemy  
YOU NEED TO STAND UP, REVOLT!  
Feels like swimming upstream  
To find your destiny  
No regrets, stand up and revolt

All you see is madness  
Smash it, all away  
You need to face it, REVOLT!  
Set the world on fire  
We are here and meant to stay  
Time for action pull the trigger

Time for action pull the trigger  
Time for action pull the trigger

Worst come to worst, time to fight my dear  
Standing up together we will have no fear  
Dark as the night, 'til the sun comes up  
And tomorrow we will fight again NEVER STOP!

Revolt - time to get together  
And face our enemy  
Revolt - feels like swimming upstream  
To find your destiny

REVOLT  
Time to get together  
And face our enemy  
YOU NEED TO STAND UP, REVOLT!  
Feels like swimming upstream  
To find your destiny  
No regrets, stand up and revolt

All you see is madness  
Smash it, all away  
You need to face it, REVOLT!  
Set the world on fire  
We are here and meant to stay  
Time for action pull the trigger
