

The Revenant

Dymytry

I'm a ghost among the living
Empty heart and empty soul
Shattered, broken, unforgiving
I am sitting in this hole

Rise from the dead my dear
I will be waiting here
Let the sunrays touch your skin
Forever I'll be waiting

I'm the one they call the revenant
I alone I am my only friend
I'm the one they call the revenant
When the darkness falls
And the reaper calls
It's time to bring me back to life

From the ashes like a phoenix
I will rise above my fate
Break the chains that used to hold me
I'll no longer hesitate

Rise from the dead my dear
I will be waiting here
Let the sunrays touch your skin
Forever I'll be waiting

I'm the one they call the revenant
I alone I am my only friend
I'm the one they call the revenant
When the darkness falls
And the reaper calls
It's time to bring me back to life
To bring me back to life

Can you hear me?
Can you feel me?
Can you hear me?
Can you feel me?

I'm the one they call the revenant
I alone I am my only friend
I'm the one they call the revenant
When the darkness falls
And the reaper calls
It's time to bring me back to life
To bring me back to life
I am the revenant
Bring me back to life
