

# United We Stand

Dymytry

We are the prisoners  
Behind these fences  
What should I believe  
Proof-hidden in the scars

We have been beaten and broken  
Our resolve burning down  
Chained to these prison walls  
We find our hope in the stars

Ooh  
All I cross the land  
Ooh  
United we stand

We know how to different  
Our land and our hope  
Loving up the girls  
Against very hence

We have been beating and broken  
Broken for the clouts  
Change to this prison walls  
We find the hoping in the stars

Ooh  
All I cross the land  
Ooh  
United we stand  
Ooh  
All I cross the land  
Ooh  
United we stand

Ooh  
All I cross the land  
Ooh  
United we stand  
Ooh  
All I cross the land  
Ooh  
United we stand
