Mr. Rite

Dynamite Boy

Last night I woke up from a dream
Too bad I never fell asleep
I heard you when you said, "Take care,"
"I'm worried about you, it's not fair..."

But you can't say, "I told you so,"
You never made me feel so low
I understand you're warning me
But when I close my eyes, you're all I see...

And now I think that it's all passed
Your concerns just left me so fast
I realized that you don't care
You're god-damn right that's just not fair...

But you can't say, "I told you so,"
You never made me feel so low
I understand you're warning me
But when I close my eyes, you're all I see...

I can't hear you
I can't feel you
I can't reach you
You're all I see

But you can't say, "I told you so,"
You never made me feel so low
I understand you're warning me
But when I close my eyes, you're all I see...
