

## Strange Girl

Dynamite Boy

Strange strange girl  
What's in your head my love,  
My love you look at him  
What do you see it's gone  
It's gone, mixed up feelings  
Fly round and round inside my head

My strange strange girl

Don't know what to do  
When I'm around you  
Don't know what to say  
When you act that way  
Don't know how to feel  
It's time to just get real

(breakdown) Quit livin' in yesterday  
Yesterday's too far away  
You know I love you  
And all your selfish ways  
Too many things to do  
Too much is in the way  
That's why everything we had  
Is thrown away
