

Holy Fire

Dynasty

When Jesus came to the earth
He had a mission to complete
He knew everything until the end

But He never surrender
Passion and pain
Nobody couldn't stop Him

(It) was so much love
For all the lost souls
Because we will
Survive with Him

God gave us
Everything I want to live
God gave us
Our reality
The Holy Fire

You must read the holy bible
Do you know what Jesus says to you?
Go ahead and speak the good news!
Spreading love around the world
Bringing the lambs to right way
Jesus Christ is our salvation

When
Jesus came
To the earth
He had a mission
To complete
He knew everything
Until the end
Never surrender!
