

Need You

Dynasty

I know you got a man,
But I need you in my life lady,
Yes I understand that your taken but your always suffering,
Tell me what I gotta do to be next to you babay,
I wanna see you run away from him.

I never wanna see you cry and,
I never wanna see you suffer,
I never wanna see you always down and down and going down. (2x)

Your driving me, driving me crazyy,
Ladyy I need you A S A P!
He don't deserve you, you don't deserve him,
I know I've been in your mind latelyy

Give me a chance to be your man,
You won't regret it, you know who I am,
I would never break your heartt

Cause it's all about you and me girl,
I'm your prince and your my queen,
Hurting your feelings is not my philosophyy,
Turning this historyyy!
Let's be together for eternityy,
You know your mann don't do it like mee, noo
Cause this is Dynastyyyyy

Cause I,
I never wanna see you cry and,
I never wanna see you suffer,
I never wanna see you always down and down and going down. (2x)

I know you gotta man baby
But I need you in my life lady,
Yes I understand that your taken
But your always sufferingg

Tell me what I gotta do to be next to you babay,
I wanna see you run away from him

I never wanna see you cry and,
I never wanna see you suffer,
I never wanna see you always down and down and going down. (2x)
