

# Love Junkie

Dynazty

I got nowhere to hide  
The devil inside creeps into my mind  
You make me scream, beg and bleed  
It's time to concede

I keep coming back for more  
I need more than before  
'Cause I am a love junkie  
The things you do and say  
I need it every day  
'Cause I am hopelessly addicted  
To your love

Oh, yes indeed

I could kill for the thrill  
You're above my will  
My bones shiver and shake  
My mind ache  
If I don't get some my body will break

I keep coming back for more  
I need more than before  
'Cause I am a love junkie  
The things you do and say  
I need it every day  
'Cause I am hopelessly addicted  
To your love

Still my lust and cleanse my soul of sin  
I'll be a junkie for your love

I keep coming back for more...
