

New Sensation

Dynazty

I see a fire burning in your eyes
Spellbound and hypnotized
Appetite for the good ol' lies
All jacked up and paralyzed

Craving love to the end of time
A high dose to ease your mind
Won't settle for the lesser kind
Your love is blind

I am your one and only true desire
Trust in me I will take you higher

A new sensation
Revelation
Culmination
All your dreams will be coming true
You and me
In extacy
The beginning of a
New sensation, revelation

I'm coming on like a hurricane
I'm the fuel that feeds your flame
Got enough to drive you insane
Again and again and again

I'll give you love to the end of time
A high dose to ease your mind
Coming like a bullet from behind
I will get you down

I am your one and only true desire
Trust in me I will take you higher

A new sensation...

I am your one and only true desire
I'm like a live wire, playing with fire
Trust in me I will take you higher

A new sensation...

Time is flying, there's no denying
The beginning of a
New sensation
Revelation
