

Phoenix

Dynazty

Through a firestorm
I have come out on the other side
To clear blue skies
A phoenix will arise
And suddenly I'm free
Staring down a voyage of the soul
And now I see
The fire burns in me

Rising from a place of power, lost down in the darkness of the great deep
Roaring like an ocean of emotion, but through silence I speak
I'm the rumbling in the sky, I am the wind and I'm the rain
Rising to a place where only eagles dare to fly
Like a phoenix of the sky

I must have been asleep
Underneath an ocean I have dreamt
Of clarity, so far away it seemed
Now here I go again
Setting off a journey with no end
But this time, I dream
With open eyes, I see

Rising from a place of power, lost down in the darkness of the great deep
Roaring like an ocean of emotion, but through silence I speak
I'm the rumbling in the sky, I am the wind and I'm the rain
Rising to a place where only eagles dare to fly
Like a phoenix of the sky

I look down to see a world without disbelief
I taste clarity through the air that I breathe
This time, I soar to see all the world's beauty here for me, yeah

Rising from a place of power, lost down in the darkness of the great deep
Roaring like an ocean of emotion, but through silence I speak
I'm the rumbling in the sky, I am the wind and I'm the rain
Rising to a place where only eagles dare to fly
Like a phoenix of the sky

Place of power, lost down in the darkness of the great deep
To where eagles dare to fly
Ocean of emotion, silence I speak
Yeah, I'm the rumbling in the sky, I am the wind and I'm the rain
Rising to a place where only eagles dare to fly
Like a phoenix of the sky
Like a phoenix of the sky
