

Take Me Down

Dynazty

My devotion grows weaker by the day
I'm not the same anymore
I lie and cheat, and I keep her in the dark
God knows it will tear her apart
When I met you I thought I had control
I am blinded without a clue
If this goes on it will lead me to corruption
I'm trading love for destruction

Let me go, I'm losing control

Take me down
Oh, oh, high on desire
Let me go
Before I lose control
Take me down
Oh, oh, high on desire
Let me go
Destroying what I am
Take me down

I feel a rush when I touch your skin
My body's moving at its own will
My mind is fragile, we can't control it
We're flying way to high
Lie at the front gate with the sound of the drum
I hunt for love, no matter the cost
Out and about have led to corruption
I've traded love for destruction

Let me go, I'm losing control

Take me down
Oh, oh, high on desire
Let me go
Before I lose control
Take me down
Oh, oh, high on desire
Let me go
Destroying what I am
Take me down

Let me go, I'm losing control

Take me down
Oh, oh, high on desire
Let me go
Before I lose control
Take me down
Oh, oh, high on desire
Let me go
Destroying what I am
Take me down

Take me down
Take me down
