

Illusion

Dyslesia

In the middle of nowhere, there she came
Rising suddenly up, out of all nightmares
When I met her eyes, I caught flames
So clear and yet so dark,
Here was my fate

Couldn't stand it any longer
Don't ask me if I loved her
Nothing can take the feeling away
No matter how, but...
She came from the emptiness of time
Don't speak to me 'bout good and evil
As we reach pleasure, so wild was our time
A river of flames through our veins

(Chorus)

The ruler of time doomed our souls,
Will she ever come back?
This short space of time,
A snake beneath my skin she was
Strange thoughts took over my mind

Everything around us became still
As she made her way towards me
Pounding harder and harder was my heart
And losing all sense of memories

Couldn't stand it any longer
Don't ask me if I loved her
Nothing can take the feeling away
No matter how, but...
She came from the emptiness of time
Don't speak to me 'bout good and evil
As we reach pleasure, so wild was our time
A river of flames through our veins

(Chorus) (2x)
