

## Daybreak

## DZ Deathrays

On the track, blood is pumping  
Can't stop, can't stop running  
On the track, blood is pumping  
On the track, on the track

On the track, blood is pumping  
Can't stop, can't stop running  
On the track, blood is pumping  
On the track, on the track

On the track, blood is pumping  
Can't stop, can't stop running  
On the track, blood is pumping  
On the track, on the track

Automatic, no control and  
I can feel, I can feel it  
Automatic, taking over  
No stop till daybreak  
Daybreak  
No stop till daybreak

Cut the beat, no pressure  
Come let this noise arrest ya, oh  
Feel the heat, it's time for you to go  
No stop till daybreak

On the track, blood is pumping  
Can't stop, can't stop running  
On the track, blood is pumping  
Automatic, no control and  
I can feel, I can feel it  
Automatic taking over  
On the track, on the track

On the track, blood is pumping  
Can't stop, can't stop running  
On the track, blood is pumping  
I can feel it taking over  
Automatic, no control and  
Feel it, feel it, feel it, feel it  
Automatic, taking over  
No stop till day (uh)  
Daybreak  
No stop till daybreak

Cut the beat, no pressure  
Come let this noise arrest ya, oh  
Feel the heat, it's time for you to go  
No stop till daybreak

God damn! It's got me like Armageddon  
No stop till daybreak  
God damn! It's got me like Armageddon  
No stop till daybreak

On the track, blood is pumping

Can't stop, can't stop running  
On the track, blood is pumping  
No stop till daybreak  
Automatic, no control and  
I can feel, I can feel it  
Automatic, taking over  
No stop till daybreak

Cut the beat, no pressure  
Come let this noise arrest ya, oh  
Feel the heat, it's time for you to go
