

Hi Everyone

DZ Deathrays

Hi everyone how's it feel that you're alive? Destination doesn'
t matter when the purpose gets you high
I couldn't hear from the ringing in my ear
Tried to make a last connection
Just in case I disappear

Hi to the mothers
Hi to the fathers
Hi to the unborn
Hi to the sisters
Hi to the brothers
Hi to the medics
Hi to the undercovers
Hi to the junkies
Hi to the lawyers
Hi to the immigrants just like my grandmother
Hi to the ones that listen
I want it real
Hi everyone
