

Nightmare Wrecker

DZ Deathrays

It's in my dreams
It weilds an axe
It mutes my screams
And holds me back
And I can't breath
And I can't move
Cause all I see is through the room
It's a nightmare wrecker

It haunts my sleep
Breaks through the wall
It makes me feel like my skin crawls
And I can't move
And I can't breath
Cause through the room is all I see
It's a nightmare wrecker
Soul it takes
It's a nightmare wrecker

It's a nightmare wrecker
Soul it takes
It's a nightmare wrecker
Soul it takes
No rest for me
Soul it takes
It's a nightmare wrecker
Soul it takes
Its a nightmare wrecker
