

Nightwalking

DZ Deathrays

I said a week
I sold it down
A guilty love you passed me around
A clock to the bottom back to the top
Just to help those who drop

Nighwalking trying to find
The best place to be
The best place to start
Nighwalking trying to find
Somewhere to be, not here
The more I enjoy
The less I feel about it
The more I enjoy
The less I feel about it

Take it from me
We got nowhere else
Which other line will take you down?
I set it a week
I set it on you
But how most would say
We're lost in the air

Nighwalking trying to find
The best place to be
The best place to start
Nighwalking trying to find
Somewhere to be, it's not here
The more I enjoy
The less I feel about it
The more I enjoy
The less I feel about it

I feel music through
I don't know
It's silent where
It's silent where
It's silent where
Where, where, where
I feel music through
I don't know
It's silent where
It's silent where
It's silent where
Where, where, where

The more I enjoy
The less I feel about it
The more I enjoy
The less I feel about it
The more I enjoy
The less I feel about it
The more I enjoy
The less I feel about it
