

# Pollyanna

DZ Deathrays

All at the top  
He's a legend by my head  
Tell me what is good and I'll sure leave out the rest

And when the freaks are calling in monotone  
Need to tell everyone because I'm so unsure  
Yeah I'm so unsure

Started up again  
Taboo indeed  
I don't have a will  
Such a pollyanna

Being positive  
And forget about myself  
Thought that love is dull  
But it doesn't mean it's different  
And I'm not fucking around  
Yeah, I'm blocking you out  
Yeah, I'm blocking you out

Started up again  
Taboo indeed  
I don't have a will  
Such a pollyanna

Started up again  
Taboo  
Indeed  
I don't have a will  
Such a pollyanna  
Such a pollyanna
