Shadow Walk

DZ Deathrays

What kind of hell I raised?
Obsessed till I'm d-e-a-d
The more I try to embrace it
The more it tries to swallow me

As soon as I walk away
My shadow follows me
As soon as I walk away
It follows me around

Count down, look around
Hands up like I'm drowning in the sea
More attention, reinvention
Nothing will ever just let me be

As soon as I walk away
My shadow follows me
As soon as I walk away
As soon as I walk away
My shadow follows me
As soon as I walk away

Ever since I was a child
Left to the wild
Like a dog let off its chain
It tries to set me free
But then it captures me
I live to play the game

As soon as I walk away
My shadow follows me
As soon as I walk away
As soon as I walk away
My shadow follows me
As soon as I walk away
It follows me around
