

Skeleton Key

DZ Deathrays

Feeling operatic
Doing anything I want
The key to my beating heart
Keeps everything from dying
But first things first
I can see the obvious
When you're going out of your head
I can feel I'm getting higher

We live a lie
If it's only for tonight
I can make it up again
Cos I've given up on trying
Symbols in your eyes
Blinding lights
Hypnotic spirals keep us looking at the sky
And remember that we're

Love of my life
It's got to be
Skeleton key

Feeling automatic
Where's the static where's the pulse?
I'm going nowhere slow
The motor feels like it's dying
I swear and curse
From my hearse
To the underground
Beneath this toxic dirt
Pressure keeps on applying

Love of my life
It's got to be
Skeleton key
Come and set me free
Love of my life
It's got to be
Skeleton key
Come and set me free

Come and set me free
Come and set me free

Symbols in your eyes
Blinding lights
Hypnotic spirals keep us looking at the sky
At the sky, at the sky

Love of my life
It's got to be
Skeleton key
Come and set me free

Come and set me free
