

The Mess Up

DZ Deathrays

This mess that I'm in, this mess that I'm in
I'm sorry but it's going down tonight
The places you've been, the places I've seen
It keeps me out here every night
The man that I am, the man that I am
I'm sorry but it's no better
The man that I am, the man that I am
I'm sorry but it's no better

Kill
The mess up
Kill
The mess up

I'm sorry but it's going down tonight
The best of the sins, the best of the sins
Are the ones that don't tie you up inside
The best that I am, the best that I am
I'm sorry but it's no better
The best that I am, the best that I am
I'm sorry but it's no better

Kill
The mess up
