DZ Deathrays

What's in it for your new love
Recycle beats and away you go
Said baby baby I don't know
Why sinner won't you tell me so

Suck up all out of all the seas
Suck up all money like a cash machine
Said baby baby I don't know
Why sinner won't you tell me so

It's getting me through
My blood runs blue oh
Huh
Yeah
Huh
It's getting me through
My blood runs blue oh
Huh
Yeah
Huh

Follow victim and [?]
One week new tricks and you gotta call
Said baby baby I don't know
Why sinner won't you tell me so

Suck up all out of all the seas
Suck up all money like a cash machine
Said baby baby I don't know
Why sinner won't you tell me so

It's getting me through
My blood runs blue oh
Huh
Yeah
Huh
It's getting me through
My blood runs blue oh
Huh
Yeah
