

# Tuff Luck

DZ Deathrays

Tuff luck, motherfuckers

I got a feeling that you're thinking this is overdue  
I wanna make it up and get it looking all brand new  
You wanted time, even just a little taster  
Slam on the brakes, it's time to give yourself a head check

Oh

Yeah, I don't wanna take it

Tuff luck, motherfuckers  
Nothing's gonna get you through  
Tuff luck, motherfuckers  
Nothing's gonna rescue you, yeah

Tuff luck (Tuff luck)  
Tuff luck (Tuff luck)  
Tuff luck, motherfucker

Hole in the ceiling, feel the radiation coming through  
Turn on the TV, see the television's got no clue  
You want more time, just another day, yeah  
Foot to the floor into another devastation

Oh

Yeah, I don't wanna take it

Tuff luck, motherfuckers  
Nothing's gonna get you through  
Tuff luck, motherfuckers  
Nothing's gonna rescue you, yeah

Tuff luck  
'Cause I don't wanna take it  
Motherfuckers

Tuff luck (Tuff luck)  
Tuff luck (Tuff luck)  
Tuff luck, motherfuckers  
Tuff luck (Tuff luck)  
Tuff luck (Tuff luck)  
Tuff luck, motherfuckers
