It's game involved, don't try to compare it
Tellin' your side bitch all your business and she repeatin' it like a parrot
Don't get it twisted, don't call me daddy, don't call me your highness
If I stick my fist out, you better kiss it (Look here)
I'll have her sprung like some dope
I'll have a bitch all in her emotions and choked up like Latrell Sprewell did his coach (Mmm)
You baddest chick in the room
And I bet your coochie so good that it need to be trademarked, LegalZoom (Mmm, mmm, mmm)
I'm tryna get rich
But see, you hardheaded and divisive, you wanna be a vindictive bitch
I got the righter way
Bitch, get up here and get me my fetti so I can put it on my cousin books in JK

Bitch, you had the same amount of time in a day as Raven-Symoné but you chose to be nobody
And who flaunts you?
You're like the first piece of bread, bitch
Everybody want a sandwich but nobody wants you
So pass the plate
'Cause bitch, fuckin' with me, the only way you gon' get laid is to crawl up a chicken ass and wait
Ay, pimp of the year, vet
If you stay ready, you ain't gotta get ready
I sampled the bitch but she ain't cleared yet
Ay, it's too tight for you
My name Suga Free the pimp, bitch, not Larry H. Parker, I won't fight for you
u
She hell into me
Got outta pocket one day, slapped her and asked her
"What do you think of Einstein's theory of relativity?"

Ay, thicker than cash

I ain't lyin', one day, I wore out three pairs of kneecaps kickin' her ass

Get next to this

Ho, I'll come down these flight of stairs on your ass like that bitch did on
