All day, everyday  
Livin' where the playaz play  
Sellin' dope and broccoli  
Tryna find a better way  
Swimmin' in the dirty Bay  
Haters got no vertebrae  
He ain't real, he hella fake  
Don't wanna see you elevate  
Don't wanna see you levitate  
Don't wanna see you escalate  
Everyday we celebrate  
Losers need to resignate  
Misery loves company  
Suckers wanna separate  
Sippin' on this Hennessy  
Meditate and medicate  
Never Baller block and pass interference  
40 thou for a guest apperance  
I'm a cash cow, don't ask for none  
Large lumpsomes, I ain't got no ones  
When it's money involved, you know that I'm involved  
I sell real estate, music and alcohol  
I follow protocol- I can't forget my dogs  
Push number 5 when my loved ones call (beeatch!)

Keep it 100, yeah, all day  
Run on my niggas like all day  
She fuck with the clique, yeah, all day  
We take that money like all day  
Keep it 100, yeah, all day  
Run on my niggas, yeah all day  
Keep it 100, yeah, all day  
We take that money like all day
