

They wanna take it there  
Fuck a mask, we'll do it bare  
Scalp a ho, get on a nigga hair  
Fuck a mask, we'll do it bare  
Run a nigga down with the 30 round  
Fuck a mask, we'll do it bare  
Mama outside cryin' in her gown  
Fuck a mask, we'll do it bare

I don't think about, I don't be without it  
I could give you what you want if you really 'bout it  
Got 30 and a 40, nigga, you could count it  
Get a line on your living room, then surround it  
Right-hand man and he don't like to listen  
Choppa get to kickin', cookin' in the kitchen  
Rockin' me a fisherman like I'm fishin'  
Tackle box, pole, hella ammunition  
I really hate to take it there  
But I promise you, nigga, we ain't playin' fair  
We don't care if your daddy there  
I'ma nail you to a chair, we'll do it bare

They wanna take it there  
Fuck a mask, we'll do it bare  
Scalp a ho, get on a nigga hair  
Fuck a mask, we'll do it bare  
Run a nigga down with the 30 round  
Fuck a mask, we'll do it bare  
Mama outside cryin' in her gown  
Fuck a mask, we'll do it bare

Run you down with the Kater  
Double up, then come back later  
Shut it down like a breaker  
Hide behind the back of your neighbor car with the sprayer  
One thing I hate is a hater  
Two things I hate is a traitor...ugh!  
Bullets ain't got no name  
Slugs talk a different slang, need a translator  
Niggas callin' my phone, temperature checkin', fishin'  
"I'ma merge him in, shh, be quiet, baby, listen"  
I could tell in their tone they're up to something slickin'  
They ain't doin' no talking, they trippin'... BIATCH!

They wanna take it there  
Fuck a mask, we'll do it bare  
Scalp a ho, get on a nigga hair  
Fuck a mask, we'll do it bare  
Run a nigga down with the 30 round  
Fuck a mask, we'll do it bare  
Mama outside cryin' in her gown  
Fuck a mask, we'll do it bare
