

# Big Deal

E-40

Ay, woo woo woo  
Uh, uh, uh, I'm a big deal, I'm a big deal  
Ay, yo, ay  
("P-Lo, tell 'em bring the bass back")

I go where the bag go, I can't sit still  
When my dawgs from the jump know the shit real  
No coupe, drop the roof for the big wheels  
Run a fake, I need real, not for sale, I'm a big deal  
Ay, I'm a big deal  
Ay, I'm-I'm-I'm a big deal  
Ay, I'm a big deal  
Ay, I'm a-I'm a big deal

I'm a big deal, I'm a big deal (Big deal)  
Have you slippin' like a transmission on a banana peel (Banana peel)  
My favorite hammer is a Kel-Tec  
When E-40 said, "Not just the cops but the homies you gotta watch," I felt t  
hat  
It's janky and it's murkish  
I make more money on accident than a lotta y'all do on purpose (On purpose)  
When it comes to bustin' plays I'm a genius  
I've been plottin' on paper ever since I was a fetus  
Livin' the life that I live, it ain't that easy, it's difficult  
Used to fuck with the triple and break it down like a syllable  
Makin' big moves with my fellas, all of us solid, not jealous  
I'm havin' my relish, asparagus, and my lettuce  
In the adult beverage game, I'm Michael Jordan (Michael Jordan)  
I got my importer's license, bitch, I'm important (Bitch, I'm important)  
Don't call me Key and Peele but I got line on ki's and peels (Ki's and peels  
)  
Bitch, I'm kinda like a big deal (HO!)

I go where the bag go, I can't sit still  
When my dawgs from the jump know the shit real  
No coupe, drop the roof for the big wheels  
Run a fake, I need real, not for sale, I'm a big deal  
Ay, I'm a big deal  
Ay, I'm-I'm-I'm a big deal  
Ay, I'm a big deal  
Ay, I'm a-I'm a big deal

Just got off the plane, yeah  
Tryna get some brain, yeah  
Diamonds in my chain, yeah  
Bad ones scream my name, yeah  
I'm a big deal, got the wrist chilled  
Blowin' big kill, told her sit still  
Niggas try and wait 'til the drip spill  
Shit cool, more vyin' 'til it get real  
I'm a boss type nigga  
"One look at your bitch and she lost" type nigga  
I ain't gon' fight wit' ya  
But my gang here and they all might hit ya  
I'm too rich to go down  
Tell 'em twist the whole pound  
We don't buy, we grow now

And move 'em out at wholesale

I go where the bag go, I can't sit still  
When my dawgs from the jump know the shit real  
No coupe, drop the roof for the big wheels  
Run a fake, I need real, not for sale, I'm a big deal  
Ay, I'm a big deal  
Ay, I'm-I'm-I'm a big deal  
Ay, I'm a big deal  
Ay, I'm a-I'm a big deal
