

## Does That Make Sense

E-40

(Rick Rock beats)

Don't be doin' no playin' when it come to your capital  
Your time is very, very, very, very, very, very, very valuable (Valuable)  
Gotta carry, carry, carry, carry, carry somethin' tactical (Tactical)  
Can't be scary, scary, scary, scary, scary, scary, bashful (Bashful)  
Me and suckers don't get along, we ain't compatible ('patible)  
I'm takin' my show on the road, my brands is national (National)  
Sometimes I dress like I'm still on the block, sometimes I dress casual (Casual)  
I got a green beret in hustlin', that's a factual (Factual)  
Tabernacle (Tabernacle), church chapel (Church chapel)  
Real life (Real life), not theatrical (Not theatrical)  
Kayakin' in the traffic, no paddle (Paddle)  
Smokin' on a stick of that Gelato (Gelato)  
I'll turn into somethin', into an animal (Animal)  
Hit the highway, open up the manifold  
I'm just tryna water my grass and make it greener (Greener)  
I'm cool with all the honey badgers and hyenas (And hyenas)  
Paid attention and bettered myself, locked in and listened (Listened)  
Kept faith in my Lord and Savior, man, I'm Christian (Christian)  
Crack them gates for our loved ones up in the prison (Prison)  
It ain't the same no more, my ninja, shit is different (Different)

I speak the real, just how I feel (Does that make sense?)  
On pace to make a bill' (Does that make sense?)  
Diamonds on chill (Does that make sense?)  
Gettin' money takes skills (Does that make sense?)  
I speak the real, just how I feel (Does that make sense?)  
On pace to make a bill' (Does that make sense?)  
Diamonds on chill (Does that make sense?)  
Gettin' money takes skills (Does that make sense?)

Gettin' money takes skills (Skills), bitch, I'm from the Hills (Hills)  
Northern Caliscrillia, all the real ones, they gon' feel ya (Feel ya)  
West Coast livin', contraband and paraphernalia ('Nalia)  
Keep that iron with you, never know who tryna steal ya (Steal ya)  
The bigger the fixture (Fixture), the bigger the hate (Hate)  
Hate come with the plate and these suckers don't 'preciate (Mm-mm)  
The solid don't pocket watch, we give a fuck what you make (Mm-mm)  
I'm off of this edible and I'm smokin' a vape  
You ain't got a goal, you can't be in my circle (Circle)  
Chances are, you ain't plannin' on bein' a mogul (Mogul)  
You ain't a star, you a vagabond, you a hobo (Hobo)  
Wishy-washy and finicky, you a no-no  
In the line of work that I do, you gotta be mentally fit (Mentally fit)  
If you can't beat us, then join us, don't forfeit (Don't forfeit)  
If you can't beat 'em, then join 'em, don't quit (Don't quit)  
It's enough fetti out there for all of us to get

I speak the real, just how I feel (Does that make sense?)  
On pace to make a bill' (Does that make sense?)  
Diamonds on chill (Does that make sense?)  
Gettin' money takes skills (Does that make sense?)  
I speak the real, just how I feel (Does that make sense?)  
On pace to make a bill' (Does that make sense?)  
Diamonds on chill (Does that make sense?)

Gettin' money takes skills (Does that make sense?)

[illegible]
