What are you? A wham
Where you from? The lab
What your gas like? Shell
What kind of bag your lady got? Chanel
Smokin' helium, I'm lifted
I been gettin' money since money existed
I been the paper plotter since a toddler
When I'm late, I might just take a helicopter
The fabric that I'm wearin' come from Italy
You liable to find me at Disneyland at Club 33
I stay in the 'burbs, I'm in the cut like surgery
You must've been sleepin' up under a rock if you ain't heard of me
I been thinkin' about buyin' some property up in Saint Thomas
[?] eat falafel and dip it in hummus
I'm at the Michelin-star restaurant, I ain't in Sonic's
Give me my flowers and my grunt, pay me homage, bitch

Dub for a verse like I'm from the '20s
A hundred thousand all-blue, you won't find a twenty
I been rockin' everything high-end
Funk or die, sick with it, we been tied in
They say money can't buy happiness
I remember I was broke, I wasn't havin' shit

I just spent over five million plus
One-point-five on my mama house
Eviction notice, landlord used to kick us out
I went from Payless to red bottoms
To Mastro's from Red Robin
Rolls-Royce Cullinan, Lamborghini Urus
He ain't havin' no motion, we can't take him serious
Have heart, have money
I always had heart when I ain't have money
