Whip it up, and put it in that fuckin' cup

Her needs is tequila and sprite what she likes when it's time to get turnt  
Break down a wood and I roll up a blunt  
Then you a jug if you need one I got it  
Won't charge you much caz I flip my profit  
My money is tall not short like a hobbitt  
Breaking the launch chopper was in closet  
Swapping these rentals and staying out the way  
No time for recess cause husslas don't play  
Raise in the Yay repin the CA I might be in Houston or Mississippi  
Would be cribs that we roll in the studio ho  
Whippin up beats like a kilo a blow  
Cups in the bow farm in the air  
Couple a hoes and they dying their hair  
Working the pole she let em know she a pro no underwear  
There she go she right there damn she blessed don't need press  
And the breast derriere she wanna sit on my lap like am a chair  
I'm everywhere like gossip barbershop top topic  
I'm the talk gossip haters wanna catch me outta pocket bitch

Whip it up, and put it in that fuckin' cup  
Whip it up, and put it in that fuckin' cup  
Whip it up, and put it in that fuckin' cup

Whip it up, and put it in that fuckin' cup

I'm ballin with my niggas, hug up with my hoes  
House party killa feel like I just threw a show  
Ain't no chase a hilt 3-6 on his dick  
Henny in my system and a swear it make me swick  
Fresh to death for real yea that's how I live  
Crackin on a seal yea that's how I feel  
Shawty show ya grill get em we the flex  
Down to my last 4 try'na make it stretch  
Dying to get a whip, pineapple and vodka  
One shot there and shots up once she start I can't stop em  
Pussy poppin pros hit the floor from we call em  
Hangin on my dick screaming she just wanna party I told her whip it up

Whip it up, and put it in that fuckin' cup  
Whip it up, and put it in that fuckin' cup  
Whip it up, and put it in that fuckin' cup

Whip it up whip it whip it whip it up (whip it up)  
Whip it up whip it whip it whip it up (whip it up)

Whip it up, and put it in that fuckin' cup

Ugh, my cups so heavy I promised it's bout a pain in it  
I go my ride rent mobile if you ain't real you ain't in it  
I put a 10 in this a 7 in that I never run out I stay with it  
Turn up if you want to but guess what am goin do  
Get up and leave it with an aid in it  
Then I turned down, yea that's right I said I turned down  
I make sure the police ain't around me before I let this chris tree burn down  
I cause I ain't try'na give the phone company no money  
They ain't even want my freedom it's about the dolla and how many they can get from me  
Ugh  
Bitch I pour up in the water if the store close  
In my two door 50 on 4gs I told super duper low pro  
I love Dr. Pepper I love big red, I love mountain dew, I love creme soda  
My nigga E40, mi nigga Big K R I T and I'm Z Ro call us Team Soda  
Ugh
