

## Knockin' At the Light

E-40

I heard the story from another nigga  
This nigga said you got a problem with some niggas that ain't even from over here  
Over some dumb shit  
Seen them same niggas later, they got to knockin at the light  
Got to knockin at the light, them niggas got to knocking at the light  
Knockin at the light, them niggas got to knockin at the light, them niggas got to knockin at the light

They don't rat  
But he fuck withs 40s and 50s  
They block the riches in they city they heavy about their feddy  
They on  
Got a code operation niggas be hating on the players bitches love when they hella popular and know  
Slide out of some Raris, Caddies Benzes and Maseratis, they active they got bodies they ain't playing  
Games with you suckers, against they mans pull up in the bucket they get to spraying  
Open up a can, or get him up out the way send him on his way  
Slid up on the spot with the SK  
Mom and them still cryin to this very day

Cleaning they guns and smoking sherbert  
Plotting out they plot block  
Partners is dead they cousin at the light they pop  
They having they bread they banked up like the enemy  
The nigga thats deads, guns inside the Tennessee  
They rode in on the greyhound they hella hurting what have you ready to work go to battle ready to beef like the cattle, ready o murk  
Knock something down do dirt  
Do they homework  
Spin a bitch nigga around  
Pop him in his shirt

Surgical gloves and ski mask  
Veterans, not green like the grass  
No gun is where they from, been playing with drugs  
Gotta an aunty that know where the shooters baby momma stay  
Over there by safeway and them section 8 houses thats where she stay  
Anybody can be found, use your brain  
Shit, look how they found Hussein  
A ho, in a middle east gotta be creased  
Thats all it takes to get deceased  
Never who know who man its a small planet  
When theres funk what you do? Handle it  
When you don't? Don't panic  
Don't be no punk, damage  
Lights off over lack of discussion  
Consequences and reprecussions  
Its almost sight  
Got on and started knockin at the light!
