A'ight? I've been up all night just like a traffic light
Let me go, stop holding me back like it's a fight
Drop a fire emoji, I like, this shit is tight
We open for business, time to cut the ribbon
E. Cuarenta Tequila Reposado what I'm sippin'
I'm a fixture, I'm a man, not a mouse
Bein' a sucka, that ain't in my wheelhouse
Let's cut the bullshit and get to the common denominator
I'm slidin' on this bitch but I'm not a ice skater
We ride with cartridges just in case that it's a hater
I'm a hustler so all I think about is paper
Sitting on my hands, I refuse
Ain't no recess, commercials or interludes
Core audience, East, West, and the South
My fans listen to my classics like they just came out, uh

(Go) Lemme go (Lemme go), lemme go

I'ma get me a few 'fore the night is gone (Come on)
Spit a little game on the microphone (Let's go)
"What you doin', Too $hort?" I'm rappin'
You looking at my girl, nigga, what's happenin'?
How you gon' get mad at me? I'm mackin'
Act like a bitch, I'ma slap him
I don't care about dude or his attitude
Bitch sayin' "bye-bye" looking back at you (Bye)
And my diamonds look better than yours
Car so clean I be gettin' the whores
"Slow down, O.G." (I can't), I can't
I can't stop makin' this bank (Can't)
Can't stop spittin' this game

300, 400 ain't listenin'
Leave somethin' in your car, on mamas, they bippin' it
Pooh Shiesty mask on, smirkin' (Smirkin')
Keep your eyes open for the jackers, 'cause cuz, they be lurkin'
Certain gas stations, better not stop at
Slide through the wrong hood, cuz, and get popped at
(Boop-boop-boop-boop-boop-boop-boop)
And be careful when you goin' Live stuntin' (What?)
'Cause if they catch your location, bruh, they comin' (They comin', ruthless
)
Youngins don't care about nuttin' (Shootin')
Dress in all black Huey P. Newton
Mainey, skitzo, sick, hoodlums
Dice game, middle of the hood, shoot some
I'm from the ice, four, five, six
Have money, have heart, tell her, "ho or die," pimp
