

Lovin Somebody

E-40

ProHoeZak music

Okay, you can feel this one in the heart
This, this, this heartfelt (Hey)
This that grown folks, mayne, that grown folk (Ooh)
This timeless, forever (Alright) (Huh, okay)
You better know it (Yeah)
If you like it, I love it (Hey)

It's so good lovin' somebody, if somebody loves you back
To be loved and be loved in return
That's the only thing that my heart desires
Just appreciate the little things I do
Oh, you're the one that keeps me inspired
Keep on liftin', liftin' me higher

So good lovin' somebody if somebody loves you back, ooh
It's so good (It's so good, on mama) wantin' somebody (Yeah)
If somebody wants you back {It's good times, mayne}
Mhm

Everybody singing like they do in the choir
Couples stepping in with the matching attire
Sipping big drank while I'm smoking some fire
I'm a Bay boss like Ghazi at Empire
Rooftop parties hella high in the sky
Either that or granny house in the yard for a fish fry
Family all we got 'til the day that we die
Every time we get together we'll hug and we cry
Tomorrow ain't a promise and today it ain't neither
That's why my diamonds so drippy, might need a windshield wiper
Papered like a binder and I stay draped in designer
I'm a tycoon, I'm a timer, I'm at the top like a climber
I miss all my loved ones, I really miss 'em, I do
I get elated, we celebrate every time they come through
We came a long way and we come up out of the trap
It feel good when you love somebody and they love you back

You're liftin' me higher, so good lovin' somebody if somebody loves you back
That's a fact
It's so good (It's so good, on mama) wantin' somebody (Yeah)
If somebody wants you back, ooh-hoo, yeah

Uh, ups and downs, highs and lows
We a power couple, relationship goals
Just renewed our vows, I proposed
Hella long ago, let's make a toast
I ain't above you, I ain't below you, I'm right beside you
I love you, that's on the Bible
Good vibes only, no exceptions
They gon' play this slap at all the wedding receptions
All the aunties gon' throw it back and the uncles gon' catch it
The bride, she gon' throw the bouquet, the ladies gon' fetch it
There's always a sequel when we hook up with our people
Some of us work, some illegal, no matter what, we all equal
Love your mama and daddy, your granny and granddaddy
Kiss 'em by they ear and give 'em they flowers while they are here
December 31st, ring it in, it's a new year

Siblings and friends and family, all of us up in here

Just a little bit more, just a little bit more
It's so good lovin' somebody if somebody loves you back, uh-huh
It's so good (It's so good, on mama) needin' somebody (Yeah)
And if somebody got your back, woo-hoo

Said not 70-30 (Not 70-30)
And not 60-40 (And not 60-40)
I'm talkin' 'bout a 50-50 love, yeah, yeah (50-50)
Not 70-30 (Not 70-30)
And not 60-40 (And not 60-40)
I'm talkin' 'bout a 50-50 love, ooh, yeah
