

## Mary Jane

E-40

Miss mary jane got me feelin like oooo miss mary jane got me feelin like ooo  
Roll her up roll her up everybody roll her up all the roller on deck  
Let her essence fill you up like ooo  
Miss mary jane got me feelin like ooo

Yo I'm there where I'm gone (gone) I'm on jupiter perfect zone sucked her like a lozenger  
Feeling like philosophers and I ain't hit her too hard I tapped tappe d tapped that  
I'm just a young g perking on vice c burgundy grab a cup feel free to copy currently  
I'm stuck playing call of duty my lady loves mary jane too but she ain't fruity ashtrays  
Full of booties my eyes looking like rubies my lids naturally droopy and I'm loaded and  
I ain't in the mood for talking mary jane got me coughing try to put me in the coffin

Miss mary jane got me feelin like oooo miss mary jane got me feelin like ooo  
Roll her up roll her up everybody roll her up all the roller on deck  
Let her essence fill you up like ooo  
Miss mary jane got me feelin like ooo

Higher than a satellite full of that dro holla at a player when you ready to go  
I was a boy scout you was a girl scout cookie, member that time we played hookie and  
I gave you a hickey and it was purple and we smelled like grass so we got in trouble?  
Well that was then and this is now miss mary jane (does you needs 1:45) would you have my child?  
So I can light a cigar and celebrate life plant my seeds in the yard make you my wife  
My mighty clouds enjoy a secret garden northern lights watching reruns of Martin  
Takin first class flights, vacation I heard they legalized reefer why go to Costa Rica  
When we can chief in Eureka, vegetation I heard they have the best chiva cannabis sativa is way up here in Menasita

Miss mary jane got me feelin like oooo miss mary jane got me feelin like ooo  
Roll her up roll her up everybody roll her up all the roller on deck  
Let her essence fill you up like ooo  
Miss mary jane got me feelin like ooo

Uh I met chu in the womb and I'll be with you till my tomb (forever)  
Is like I'm holdin ten thousand helium balloons is you're the most that I consume  
When they smell you in the room I tell em this shit perfume say she t

ake me anywhere so  
I told her to the moon let's go and we hopped on a plane fired up went  
t zoom  
This shits you smokin on ain't all that you assume you was gone till  
november  
But we stayed till June every bit I let in my eyes start reddin when  
I got my card it was sorta like a wedding (congratulations)  
And I ain't even had to put a ring on yo fist, the only female in the  
street  
I feel safe enough to kiss (muah) moving to the music the beat we ever  
miss (miss)  
But we don't dance all we do is twist sticking to the script uz  
I know she won't switch and she don't trip if I call them my bitch

Miss mary jane got me feelin like oooo miss mary jane got me feelin like  
ooo  
Roll her up roll her up everybody roll her up all the roller on deck  
Let her essence fill you up like ooo
