I was talkin to one a ma folks that I looked up to (who was it?)  
My advisor  
He said that it's good to always have a extra set a eyes like a jumping spider  
I said, 'Yea I got ma security with me'  
But then you gotta be outta yo fuckin minds to think I'm a be be one to seal  
you up and do you in  
Peel ya, that'll be gang duty, mayne they face too familiar  
I got people who dey don't even know I know (know I know)  
Cause I ain't playin no sucka fo noone's show  
For no money they'll hop over all your fences, as long as I take care a their  
expenses  
Jus a waste for all of us be jumpin around as fools  
Killers on call (call), holes in ya like a wolf a ball (ball)  
Confetti light weight char, that's before when I was small (small)  
As I got older, decided to go against the fuckin law (law)  
If you ain't built fo this, don't get into this (don't get into thist)  
If you ain't built fo this, don't get into this (don't get into thist)

Yea he mobbin this I swear, he be mobbin everywhere  
Everywhere, everywhere  
Everywhere, everywhere  
If one knee on the line he dare, he be mobbin everywhere  
Everywhere, everywhere  
Everywhere, everywhere

We out here starrin ma nigga, don't be a bore  
You ain't the only one nigga, leave me alone  
What you be questionin  
There's a shortage and it's dry, that's why I call so high (high)  
And I ain't tryna get over ma feelins, I'm jus tryna get by  
I can see it in yo eye, I can tell you not a spy  
My intuitions tell me you sincere and you a good guy  
So I'm gonna give you a try, and put you through the test  
See if you got a hidden agenda, or if you smurfette  
See if you'd surrender and give us up if you get nervous  
See if you a poser or clown, this ain't no circus  
Cause if half the game on the rip, then I'm a pat you on the back  
My mentor taught me that so I always remember that  
That's why I'm sharper than a gillette or a yoshi blade I'm good like that  
I never been a riff raff, with the foofoo or chitchat
