Got that dirty, bloody money, nigga don't pay tax  
Mister Arm & Hammer mannish, got bitches and resources  
Out here eatin' good, feastin' on four courses  
Squat in rental buckets, keep the foreigners in storage  
More trees than a forest, more drums than the armed forces  
Pull up to the throat, thirty deep with the whole block  
Them boys play for keeps, put your head on the chopping block  
If you feel froggish leap, they'll bust your snot box  
Pay the enforcers to put you in a pine box

Quality over quantity, algebra and geometry  
Loyalty, not dishonesty, livin' in this economy  
Gotta be with the shiznit, they'll take your kindness for weakness  
They'll gaffle you if you slinnip, they savages and they beastes  
They savages and they beastes, they mannishness increases  
They cannabis dish decreases, and I ain't bein' facetious  
Tryin' to get by 'cause she stresses, smokin' on a loosie  
'Cause her aunties and uncle and all of them on Belushi  
In The Bay, they sell coochie  
All the bitches got a big booty  
Hella niggas ridin' with a "rugey"

FN-57 or an Uzi

A-1 not no bammer, not tryin' to go to the slammer  
Don't work for construction, but pack a nail and a hammer  
They'll do some destruction, don't care if they're on the camera  
Dudes get to bustin' over slander and gander
