Anything to get that body to wind

Don't worry bout your problems, we got till sun up

Drunker than a motherfucker, high as a kite  
Strawberry cush, Tequila and Spright  
Came in with my Cig, snuck in with my stick

All they do is gosep on the phone, and he hate  
The homies from the soyal call him Tin Man, cause he ain't got no heart  
No bite, no bark  
My pockets is bloated, got all my paper and Euros  
The haters know it, we came here for the girls
