Pressure

E-40

He's been hot for DecadeZ

This right here'll make you get up outta your seat
Them other rappers' beats is weak, they'll make you fall sleep
Out here you better be a wolf, you better not be no sheep
We don't play for give, bitch, we play for keep
Let me slow it down a minute, keep the world spinnin'
'Cause these peons hella slow, that's why the simple rappers winnin'
We far from poor, we closer to rich (Rich)
Taking fixture pictures, taking mafia flicks (Flicks)
Make sure you get your mask when you up in the store
'Cause a roach can survive in a nuclear war
I'll say it once again and I done said it before
Keep a hammer on me as if I was Thor (Bo)
Real game, all I know (Know)
Claim fame and get your dough (Dough)
Turn this up, let your speakers knock
Don't be square like a pizza box, uh

This that (Pressure)
(Apply the pressure)
You don't want that (Pressure)
Pressure
Pressure busts pipes
Pressure, apply the pressure
I apply (Pressure)

Open up shop (Shop), brick and mortar (Hey)
Anything you need I got (Got), place your order
I don't know what you done heard or what you've been told (Told)
Don't you be a nerd, let the ism unfold
Her thighs open like the letter "Y" (Why?)
She know I'm the fella, she know I'm the guy
We nutted at the same time, it was a tie
She said it hurted so good it made her coochie cry (Coochie cry)
I'm just playin' (Playin'), don't be dramatic ('matic)
I like to joke around, I'm just being sarcastic
Never been fake, I ain't never been plastic (Plastic)
Used to flip weight just like gymnastics
I'm far from a clown, don't get it fucked up (Uh)
If I see it comin', I'ma open you up (Uh)
Spark the weed (Weed), let's get stuck
I got Tycoon cognac up in my cup (Up in my cup)

This that (Pressure)
(Apply the pressure)
You don't want that (Pressure)
Pressure
Pressure busts pipes
Pressure, apply the pressure
I apply (Pressure)

Surprise, the element, apply pressure
(Pressure, pressure, pressure, pressure)
Surprise, the element, apply pressure
(Pressure, pressure, pressure, pressure)
Sur—, surprise, the element, apply pressure

(Pressure, pressure, pressure, pressure)
Surprise, the element, apply pressure
(Pressure, pressure, pressure, pressure)
Bitch

This that (Pressure)
(Apply the pressure)
You don't want that (Pressure)
Pressure
Pressure busts pipes
Pressure, apply the pressure
I apply (Pressure)

Pressure
