Keep a banger in her purse, fuck a holster  
Used to drive a Nova, now a Rover  
Grabbing her ankles and bending over...BIATCH!

The tellers wonder what she do and how she got it  
'Cause she drop off hellas when she deposit  
Rappers be wantin' to fuck, but she don't give it up (Unh-unh)  
Just because she strip don't mean she a slut  
She got a man at home with a decent J-O-B  
Work for PG&E, but on the side, sell tree

I'm 'bout to change a few Benjamins  
If that's where the hoes at, I'm in it, man  
I give back to the community  
Tipping strippers ain't new to me  
I buy a bitch a drink and throw a few ones  
While I'm all in her ear 'Let's do sum'n'  
The way I do this shit is too fun  
She break me off, and give the whole group some
