Slices

E-40

They wanna know the definition of "slices"
(What's the definition of "slices"?)
Havin' your bread, man
(Havin' your bread?)
Hun'eds
(Blue backs?)
C-Notes
(Strips?)

There's 28 bones in a pack of dominoes
A thousand grams in a kilo
Eight pawns on a chess board
One hole in a needle
526,000 minutes in a year
165 twelve ounce cans in a keg of beer, uh
It's four edges to a rectangle
1500 worldwide active volcanoes
43,000 square feet makes an acre
Big ass yard not too close to your neighbor
Twenty sheets, twenty staples in a stapler
Three to every five human beings is a hater
I'm havin' my multiplications and my arithmetic
Thirty shots fit in my extendo clip
At the car auction I bought a Buick
It cost me four racks like The Mekanix
Biatch!

Numbers, numerals, droughts, prices
Tryin' to add not subtract, no vices
I know who got in a crisis (Crisis)
I need it all (What you need?)
Slices (Slices)
Numbers, numerals, droughts, prices
Tryin' to add not subtract, no vices
I know who got in a crisis (Crisis)
I need it all (What you need?)
Slices (Slices)

There's six strings on a standard guitar
52 cards in a deck of cidnards
3600 seconds in an hour
Five gallons of hot water when you take a shower
750 milliliters in my wine
You could buy it in select states or online
The murder rates and homicides increase
The older homeowners can't get no peace
Seven-point-six-two's been goin' through stucco and sheetrock
The tomahawk's modified, they not stidnock
On the Black LIberation flag, three different color stripes
There's 42 dots on a pair of dice
I done served more rice than Rice-a-Roni
I done seen more ice than a Zamboni
Through Western Union I put money on they books
It's zero bars left 'til the next hook
Biatch!

Numbers, numerals, droughts, prices

Tryin' to add not subtract, no vices
I know who got in a crisis (Crisis)
I need it all (What you need?)
Slices (Slices)
Numbers, numerals, droughts, prices
Tryin' to add not subtract, no vices
