Yeah, and there's occupational hazard in this game
If you a teal tapper, short changer, con gamer
Or whatever you do, you dig
There's an occupation hazard for everything, you dig
If you're in the line of gangster duty, you might get slaughtered
ed
If you a bank robber, you dig, you might get slaughtered robbin
g a bank
If you a pimp, you dig, you might crossed with some of them hoe
s, you dig
And if you's a hustler, you dig, somebody might over-hustle you
