

One Question

E-dubbe

I'm a Northeast spitter with a big sized cap and them lames ain't fucking with me
Got brains, got brawn, got a dog named Lewis so them named stayed, the named stayed

I'm a Northeast spitter with a big sized cap and them lames ain't fucking with me
Got brains, got brawn, got a dog named Lewis so them dames stay fucking with me
I can't complain I got a mug she can love for a very long time and I'm pretty damn good in the sheets
I got balls so big you ain't even gotta ask get your fine ass up in the seat

Now little lady may I ask you a question my shit gets to flexin'
In every direction there's se**** tension
Back to the question and with some discretion I have this er***** that needs some attention
The spandex neglected to stay in its section now I cannot stand up until I'm ejected
I need some protection I don't do infections
It's not a suggestion let's contra those ceptives
I go, so hard I don't know better, dog
Beefin' with myself so I'll probably get a bodyguard
Hit 'em with the audio
We be at the Mardi Gras
Other side of town
We get down with the all of y'all
(Bounce!) Hop to it if you really need a quick fix
Spit game quicker than an Eagle with a pick 6
([?]) Write it on my list for next Christmas
Santa finally caught himself a motherfucking sneak diss

Now little mama
I'mma ask you just one question
Please don't tell me no lie
I've been around this block
More than once, more than twice
Now little mama
I'mma work you all something really special, if you want it
Got a hundred different ways that I can get your ass to coming
No fronting, I'm blunted, after work
We can cuddle, I'm the big spoon
You're the little spoon in the cupboard
I love it, you can dub it
And handle it how you want it
With the dubbe, there's no trouble
Twerking is undiscovered
Hell yeah, out to bubble and double up on the subtle
Find the baby I don't bumble and settle up in the suburbs

Bring that old up right out
Tell your friends in the back to get up right now
We got that new soul Two Tone is up right now
And I'm a Philly Philly bull so you love that sound
And I'mma make sure you love it
Damn sure you love it
Goddamn, get you're best to me
No crabs in the bucket, we all cousins
And we stay making history
No lord I know
