

My name is E-Dubblé

Woah baby  
It's them waves, oh  
It's alright baby  
Got them waves, yo  
It's alright baby  
It's them waves, yeah  
It's alright baby  
It's them waves, yeah

Yeah, fuck that, I'm a backseat blogger  
Shotgun pretext looking like a logger  
Oh, probably sipping on a lager  
Beard so big you should probably call me father  
Huh, and I mean like Jesus  
No Christ, but the choir's singing "Hey Jude"  
Yeah, cuz I'm a Beatle when I roll stones  
And I'mma be there when you get home

I push that rap way back straight, gimme that beat break  
8-bars, sing-along, two tone...  
(Haha, yo)

I push that rap way back straight, gimme that beat break  
8-bars, sing-along, two tone renegade  
Blueprints, never afraid, party like I'm hella paid  
Like a '99 Eminem yellow fade  
Uncle Jay getting cake, laughing at his little date  
They be dashing with a passion 'cuz they been ashamed  
Fuck with me and you know just what it means, if you think I me  
an beef come and see just what I eat, what I eat
