

# Not Forever

E.M.D.

Still can't believe some of  
The things I never told  
I hardly touch the phone  
I don't know who to call  
You're my relief and you're  
The one who makes me cry  
I'm trying to figure out  
Some way  
To get on by

Cause I can change  
I'm not the same  
Not forever  
What can I say  
I'm not OK  
I wish I was  
I want you back  
I want a time  
I can remember  
It's as simple as I say  
I can change  
I'm not the same  
Not forever

So I got out at nights  
Take walks down easy street  
So talkative  
No matter who I see  
I wake up shaking  
Not alone but on my own  
I need some other guide  
To help  
Me get back home

Cause I can change  
I'm not the same  
Not forever  
What can I say  
I'm not OK  
I wish I was  
I want you back  
I want a time  
I can remember  
It's as simple as I say  
I can change  
I'm not the same  
Not forever

You want this part of me  
The song-lines in your mind  
That's who I'm trying to be  
And that's what you will find  
If you just let me in take me back  
Closer than we ever were  
I promise it's for real

Cause I can change

I'm not the same  
Not forever  
What can I say  
I'm not OK  
I wish I was  
I want you back  
I want a time  
I can remember  
It's as simple as I say  
I can change  
I'm not the same

I have changed I'm not the same  
Not forever  
What can I say I'd be OK  
And so would you  
If you came back if you were here  
You would remember  
It's as simple as I say  
I can change I'm not the same
